

Dear Human Resources Department,

PT. TPM Group

I hope this letter finds you well. My name is Arlyne Amanda Raihanah, and I am writing to express my interest in joining PT. TPM Group as a member of the Marketing ISP Wifi Team.

I am a graduate of Vocational High School (SMK) with a major in Software Engineering. Throughout my educational journey, I developed a significant interest in the field of marketing. I possess effective communication skills, both over the phone and in person. Additionally, I have a quick learning ability and can adapt to new concepts rapidly. These qualities were maintained while focusing on my education, leading to my graduation with commendable grades.

Despite being a recent graduate, I am confident in my ability to contribute effectively to your company. I gained practical work experience during my fieldwork internship at CV Mandiri Putra Nusa, where I worked as part of a team explaining the features of our company's application to customers. Beyond my enthusiasm for learning new things, I bring to the table optimal physical abilities and a commitment to maintaining a neat, efficient, and organized work environment—qualities that I believe are crucial in the field of marketing.

Enclosed with this letter is my Curriculum Vitae, providing additional details about my educational background, skills, and experiences for your consideration. I am eager to discuss how my skills and background align with the needs of PT. TPM Group in further detail.

Thank you for considering my application. I look forward to the opportunity for an interview to discuss how I can contribute to the success of your Marketing ISP Wifi Team.

Sincerely,

Arlyne Amanda Raihanah
